

DON'T RECLEAN. JUST TOUCH-UP.

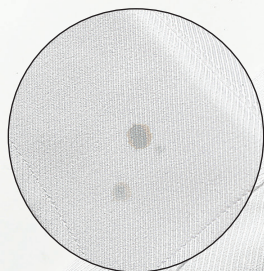

TOUCH-UP™ —POWDERED AEROSOL STAIN LIFTER

It's frustrating when a cleaned item picks up stains after processing. New TOUCH-UP saves you time and money with an easy way to avoid recleans. TOUCH-UP's special aerosol formula quickly dries to a powder, absorbing dry-side stains and gently lifting them away. Use your spotting gun to blow the powder and stain away. It is that easy—no need for flushing or recleaning.

- **VOC Compliant in California & All 50 U.S. States**
- **Easy to Use and Ideal for Less-Experienced Spotters**
- **Unique Spray Nozzle for More Precise Spray Application**
- **Designed for Quick, Safe, & Easy Touch-Up Spotting**
- **Removes Greases, Oils, & Other Dry-Side Stains**
- **Removes Spotting Rings & Circles**
- **Contains No Chlorinated Solvents**
- **Economically priced**
- **Nearly Odorless**
