

FINE PLUS™

LAUNDRY & WETCLEANING DETERGENT

All-In-One Product that Combines Detergent, Conditioner, Brightener and Sizing for Effective Professional Wet Cleaning.

FINE PLUS is specially designed for wetcleaning wools, silks, rayons, and other fine washables in one-step machine-based or hand wash, wetcleaning. The advanced formula of FINE PLUS combines the following for cost-effective, high-quality wetcleaning:

- Powerful but gentle additives for removing greases
- Agents for effective releasing and suspending of stains and soils
- Agents to prevent static and cling
- Inhibiting conditioners to help prevent dye bleeding
- Conditioners to help prevent felting and shrinkage during drying
- Brighteners for whiter whites and brighter colors
- Conditioners to give fabric a soft, full hand
- Sizings to give body to fabric, help garments hold their shape and speed pressing and finishing

FINE PLUS is part of the Fine Clean Product Line™ for professional wetcleaning which includes FINE CLEAN™ detergent, FINE TEXTURE™ sizing and conditioner, FINE REPLENISH™ fabric restorer, and FINE PLUS combination detergent.

FINE PLUS Use Instructions

For professional wetcleaning and laundry use only. Before using any chemical product, review the Safety Data Sheet (SDS) for safe handling and proper disposal.

Laundry or Wetcleaning Use

Follow garment care label and garment fiber content and construction to select appropriate washing and drying settings and finishing methods.

- Use 2 to 4 oz. (60 mL - 120 mL) of **FINE PLUS** per 10 lbs (4.5 kg) of fabric.
- Use cold or warm (85° - 95° F/ 30°C- 35°C) water.
- Set wash cycle at 4 to 6 minutes with no more than 50% washer capacity and use minimum agitation. (if using home-type washer make sure water level is above paddles).
- Rinse in cool water (70° to 85 °F/ 21°-30°C) if desired. Consistency of water temperatures is important to prevent fabric shock and distortion. If water temperature can be programmed, results will be more consistent if the rinsing is kept between at 70° to 85 ° F (20°-30°C) year round.
- Drain and extract.
- Dry according to care label instructions - but not above 120°F. (50°C).

How to Order FINE PLUS

Order from your authorized Adco –Laidlaw local distributor in 1-gallon containers, boxes of four 1-gallon containers, 5-gallon pails, and 15-gallon drums.
