Adco Professional Products, LLC, Chicago, IL 60608

Hydro Spot Use Instructions

For professional drycleaning, wetcleaning, and laundry use only. Read Safety Data Sheet for further instructions, warnings, and first aid information before using this product. If colorfastness is questionable, test fabric in a hidden area.

For Stain Removal For Wetcleaning or Laundry:

- Use Hydro Spot straight or mix 2 parts Hydro Spot to 1 part water
- Apply to stain.
- Flush well with water or steam, or apply CNC™ to spotted area before laundering.
- DO NOT ALLOW TO DRY BEFORE LAUNDERING.

For Stain Removal For Drycleaning:

- Apply Hydro Spot to stain.
- Tamp with spotting brush and allow hardened surface to soften.
- Flush with PURO™ or other flushing agent.
- Clean in machine promptly or dry using the feathering technique.

How to Order Hydro Spot

Hydro Spot is sold by authorized Adco distributors. Order from your local distributor in single one-gallon (3.785 L) containers or in boxes of four 1-gallon containers.
