

CNC™

Cuff 'N Collar

Laundry Cuff and Collar Pre-Spotter

CNC combines both dry-side and wet-side spotting agents that penetrate and break up greasy, ground-in soils and hard-to-remove fatty acids.

- Remarkably effective collar and cuff pre-spotter
- CNC rinses in cold or hot water
- Contains no chlorinated solvents, harsh alkalies or bleach
- CNC Removes:
 - Ring-around-the-collar
 - Soil from cuffs
 - Greasy ground-in grime
 - Other oily type stains

STAIN REMOVAL

CNC Use Instructions

For professional drycleaning, wetcleaning & laundry use only. Read Safety Data Sheet for further instructions, warnings, and first aid information before using this product. If colorfastness is questionable, test fabric in a

Laundry & Wetcleaning Pretreatment:

- Use full strength; do not dilute.
- Apply directly to soiled areas & allow to completely saturate & penetrate.
- Do not flush, rinse or dry treated areas prior to washing.
- Wash as usual. For heavy soil, gently work with spatula or light tamping with a wet-side brush. When soil is loosened, continue with the laundry process. Very stubborn stains and oils may require a second treatment. Re-apply and re-wash. Can be applied and left overnight. Rinses freely in cold or hot water.

For Heavily Soiled Items:

- Gently work with spatula or light tamping with a wet-side brush.
- When soil is loosened, continue with the laundry process.
- Very stubborn stains and oils may require a second treatment.
- Re-apply and re-wash.
- Can be applied and left overnight.
- Rinses freely in cold or hot water.
