

RELEASE™

WET-SIDE GREASE AND INK SPOTTER

RELEASE is your weapon in removing the toughest wet-side grease and ink stains. It's versatile formula can be safely used on most fabrics, including silks and wools, without causing fiber damage.

RELEASE quickly penetrates and releases stubborn stains, allowing for easy removal with a brush or spatula. It's adaptable formula can be used in all phases of your operation: dry-cleaning, wet-cleaning, and laundry.

- **MULTI-PURPOSE, STAIN FIGHTING CAPABILITIES**

Eliminates stubborn combination and unknown stains, including heavy greases, oils, make-up, sauces and condi-

- **ALL-IN-ONE EFFICIENCY**

Effective on wet-side and combination stains, **RELEASE** goes to work quickly on a variety of stains, saving you time

- **DESIGNED FOR VERSATILITY**

RELEASE is safe for most fabrics and is capable of being used in all phases of your operation: drycleaning, wetcleaning and laundry.

- **EASY TO USE**

Simply apply **RELEASE** and watch the formula penetrate even the toughest of stains. Then work with brush/spatula and blot out.

RELEASE USE INSTRUCTIONS

For professional drycleaning, wetcleaning & laundry use only. Read Safety Data Sheet for further instructions, warnings, and first aid information before using this product. If colorfastness is questionable, test fabric in a hidden area.

Stains Removal: Apply **RELEASE™** to stain. Allow time to penetrate stain. Tamp/work with brush/spatula. Blot out & re-apply **RELEASE** as needed. Flush with steam. Repeat as necessary.

For laundry or wetcleaning: Wash immediately.

For drycleaning: Dry area then apply leveling agent and clean.

Ink Stains: Place a small piece of cloth underneath. Add 1 or 2 drops of **NEUTRA™** to stain in conjunction with **RELEASE**. Allow product time to penetrate stain then work from reverse side with scraper. Blot out & re-apply **RELEASE** as needed. Avoid using steam or heat during flushing. Use of **BPR™** or **Super-Tan+™** in conjunction with **RELEASE** may also be necessary on some inks.

How to Order RELEASE

RELEASE is sold by authorized Adco distributors. Order from your local distributor in single one-gallon (3.785 L) containers or in boxes of four 1-gallon containers.
