## Rust & Stain Remover Use Instructions

For professional drycleaning, wetcleaning & laundry use only. Read Safety Data Sheet for further instructions, warnings, and first aid information before using this product. If colorfastness is questionable, test fabric in a hidden area.

### Important Information Before Using the Product:

- **Read Safety Data Sheet (SDS) before using this product.**
- Contains Hydrofluoric Acid, which is hazardous, even at low concentrations.
- **Prevent eye and skin contact. May cause SEVERE BURNS which may not be immediately painful or visible.** Wear protective gloves, protective clothing, eye protection and face protection as recommended in SDS.
- Safe for most fabrics but **Do NOT use on weighted silk or fabric containing metal fibers.**
- **Do not use with other chemicals** except as shown in directions.
- Dispense only from original container only.
- **NEVER** use in spray applications.
- Prevent from coming into contact with metallic or glass surfaces.
- Use only on plastic screen portion of the spotting boards/other plastic surfaces.

### Spotting Instructions:

- Apply **RUST & STAIN REMOVER** directly to stain.
- Tamp or work the stain with a spatula.
- When stain is gone, rinse thoroughly with cold water and neutralize with **BPR, WetSpot or ammonia** to prevent color change. *CAUTION: If not rinsed out or neutralized, may result in burns or damage to other surfaces.*
- Before ironing, allow to dry.

### How to Order Adco Rust & Stain Remover

Order from your authorized Adco-Laidlaw local distributor in 10-oz. bottles or cases of twelve x 10-oz. bottles
